

Steering Committee Motions, October 18, 2019

Steering Committee Members Voting:

Jessica Archer, Department of Ecology  
Kendra Hodgson, Liquor Cannabis Board  
Brad White, Department of Agriculture  
Shelly Rowden, Department of Health  
Amber Wise, Medicine Creek Analytics  
Jeff Doughty, Capitol Analysis  
Nick Mosley, Confidence Analytics

MOTION 1: Adopt the Analytical Workgroups recommendation for a performance set of standards that any method, instrument, or detection method must meet rather than a specific method.

RESULT: Motion 1 passed unanimously

MOTION 2: Make a request from the Steering Committee to the Washington State Department of Agriculture for a representative on the Proficiency Workgroup.

RESULT: Motion 2 passed unanimously

MOTION 3: Maintain the current United States Department of Agriculture standards for freezers and traceability and have the Analytical Workgroup put details into their document for final approval.

RESULT: Motion 3 passed unanimously

MOTION 4: Adopt as a minimum for the Analytical Workgroup, the United States Department of Agriculture Pesticide Data Program standards for calibrations.

RESULT: Motion 4 passed unanimously
